\_\_\_\_\_ I recognize that NeCRA Board members and volunteers are committed to the profession of stenographic reporting and that a strong organization is crucial to a strong profession, especially during times of unprecedented change. Please contact me because I would like to either help with seminars and/or volunteer to serve on future boards and/or committees.

I know that my advertising and marketing dollars are louder and stronger when those monies are bundled together with other professional stenographic court reporters. Thank you for aggressively marketing the value of the stenographic court reporter to the Nebraska Bar. You have my support.

I have visited the new NeCRA website (necra.wildapricot.org) and I wish to say *Thank You* to the NeCRA Board of Directors and volunteers, and let you know that I LOVE the new logo and website ③
